7. Field Entrance
8. Field exit and Front Ensemble entrance. Props may also enter here.
9. Spectator parking entrance.
10. Admission Gate
11. Front Ensemble Warm-Up

Ray Maddry Athletic Stadium

The bus and truck parking lot is located on the south west side of the stadium. Front Ensemble and props may be unloaded in this area than moved to the pit warm-up located behind the stadium.

Important Reminder: The front ensemble has a designated area to warm-up and may do so only when a band is not performing. A contest official will assist in monitoring this, but it is ultimately the responsibility of each participating organization to strictly adhere to the policy of warming up only when bands are not performing.

The field entrance is located on the north-west corner of the stadium. Following your bands performance, students will use the field exit in the south west corner of the stadium and return to your buses/trucks located in the Bus and Truck Parking Lot.

Students and parents may re-enter the stadium at the admission gate.
